

Do you find it difficult to talk about your healthcare?

Live Chat is a great tool for anyone who wants to access information via the Internet about their local health services, share their experience and feedback, or just get in touch with us.

Live Chat is currently being trialled by NEW Devon CCG until the end of March. You can also contact us by calling 0300 123 1672 or by emailing pals.devon@nhs.net
