

- I have been registered with this surgery all of my life and have never found any fault with it. I will never change
- I recently moved from Queens surgery to Brannam. The difference is huge! The reception staff are always extremely polite, helpful. I can always get to see a Doctor or Nurse as soon as necessary. Thank you Brannam
- Inefficient and unreliable.
- Friendly , helpful Doctors, nurses & Staff
- Always Caring and efficient - no complaints
- Because I get first class care & treatment
- Always a caring, friendly service. Cannot be bettered in this area.
- Easy to access Dr when necessary, always friendly and helpful staff.
- They are really good, kind and helpful
- Efficient, kind and loads of empathy
- Drs are always very supportive, Dr Smit and Dr Bond

- Lovely surroundings, friendly receptionists, Doctors and nurses prepared to listen
- Me and my family have used this surgery for years and don't think we will be changing anytime soon. Very nice friendly practice
- I find this surgery very good as it is good to get appointments to hospital etc...and getting results back
- You can always get to see the Doctor when you need him. He is very caring
- Excellent Service
- Always had good service from my Doctor
- Very good
- The staff are friendly and helpful
- They always try to fit me in
- Extremely likely
- Everyone very helpful
- Friendly atmosphere, good care given
- I have always received good care
- Always polite and have appointments
- I feel I am well looked after
- Always been very pleased with attention received
- A good all round friendly service. Appointments are always readily available
- Always had excellent treatment, nothing is much trouble. Wonderful
- Family centered ethos
- Staff are friendly, location is convenient and it usually quite a easy process to arrange an appointment
- The service is good

- A good practice, have always had time for me. Most of my family use Brannams anyway
- Always able to see a doctor on day, even when short notice. This was always a problem in my last surgery
- You have good organisation and time management
- Nurse -Likely     Doctor-Unlikely (speaking from experience)
- Waiting time always late. Car park too small
- Always been helpful on the phone and good service
- This is my first appointment and I've only been registered for 3 weeks
- Just not happy with some of the doctors, never got the right advice
- Can get to see own GP, but not always as quickly as I would like to
